**Guthrie County Community Foundation**  
*An Affiliate of the Community Foundation of Greater Des Moines*  
**GRANTING PROGRAM**

---

**INTRODUCTION**

The mission of the Guthrie County Community Foundation is to foster giving, strengthen service providers, and improve the local conditions and quality of life. To these ends, the Guthrie County Community Foundation promotes philanthropy, endowment building, community-building, capacity-building, grant making, organizational collaborations, and public leadership for the benefit of Guthrie County, Iowa. Guthrie County Community Foundation's funding policy provides that general unrestricted funds available for distribution are dedicated to nonprofit and charitable organizations, (i.e. to qualifying 501(c) or tax-exempt equivalent organizations) serving the needs of the citizens of Guthrie County.

**MISSION:**

The Guthrie County Community Foundation Granting Program exists to improve the quality of life in Guthrie County through projects leading to job creation and retention, family and children, environmental, recreational and religious projects.

**ELIGIBILITY:**

The Grant Award Program is open to organizations holding a proper IRS Section 501(c) or equivalent tax-exempt status and a Certificate of Existence with the Iowa Secretary of State. It can include tax-exempt schools, libraries and city governments, as long as the project has a uniquely identifiable budget. For those applicants awaiting IRS application of their 501 (c) status, the use of fiscal sponsors is allowed, though no administration fees can be paid via the Guthrie County Foundation Assets. The project to be funded must be located within Guthrie County.

**APPLICATION PROCESS:**

Guthrie County Community Foundation (GCCF) provides a grant application, which all applicants will receive with these guidelines. The applicant must use the provided forms. All additional materials are to be provided as attachments to the application. Please do **NOT** place supporting materials with each answer; instead please attach them to the end of the application. A non-profit organization may expect the following procedures in regard to its request:

- An application form and guidelines will be provided to each applicant. The current year application form must be used. Applications received on old forms will not be accepted.
- All applications must be received on or before the first MONDAY of March, 5:00 P.M. **APPLICATIONS RECEIVED LATE WILL NOT BE CONSIDERED.**
- Applications must be emailed, they cannot be faxed. Your application must be submitted as one (1) pdf file.
- All applications will be screened for **Eligibility** as described below.
- All Eligible applications will receive a written response in regards to the funding requested.
- All project applicants, whether the project has been awarded or denied, must wait until the next GCCF Grant cycle to reapply.
- Applications incomplete for any reason will be rejected. Please feel free to apply during the next granting cycle if your application was rejected. Submitting your completed application as one (1) pdf file assists the Board in reviewing applications for completeness. GCCF does not take responsibility for notifying applicants of incomplete applications prior to the due date. Please read the directions as you complete the application.

## **NOTES TO THE APPLICANT:**

- All applicants are expected, if possible, to use Guthrie County, Iowa vendors for purchases of services or products that will be used in the project being funded.
- IRS 501(c) tax-exempt status is not to be confused with your Federal ID Number or state sales tax exemption number.
- Individual schools and churches may not have a separate tax-exempt certificate. They are either exempt by law or fall under a blanket exemption because of their ties to a municipality.
- Only one application per 501(c) or equivalent tax-exempt status will be accepted, unless applicant falls under the exemption of a municipality or taxing entity, and carries a separate identifiable budget.
- Each organization, once determined to be Eligible, should be prepared to make a brief presentation and answer questions from the Board. This Q&A will serve only to clarify the application.
- Funds available for the GCCF Granting Program vary each year. Applying for a grant does not guarantee the requested project or program will be funded.

1. Include a copy of the Internal Revenue Service determination letter confirming 501(c)(3) tax-exempt status. Only 1 application can be submitted per applicant tax ID number except in the case of cities. The applicant is the group with the project. If the applicant does not have a 501(c)(3) status then the applicant must use a fiscal sponsor that has 501(c)(3) status. The grant check will be made out to the fiscal sponsor -- they have the 501(c)(3) status.
2. Include a copy of the Certificate of Existence from the Iowa Secretary of State. ***These two documents are not required for governmental entities.*** (GCCF will retain copies of these Certificates)
4. **Applications submitted must have a dollar-for-dollar cash match minimum.** Contributions from other sources may be used to satisfy the required match. Be sure to indicate who owns the cash and what type of cash (e.g. Checking, savings, CDs, donations etc.)
5. If organization is applying for funds for any project, which involves property that is not owned/operated by the applicant, the applicant must provide authorization from the owner/operator of the facility.
6. Recommendations for funding will be determined by the GCCF Board of Directors.
7. Applicants will be notified of their funding status within 90 days of the application deadline.

8. Applicants who have been awarded funding will be required to complete a funding agreement which outlines the terms and conditions of the award. The original agreement must be executed and returned to GCCF within 20 working days of receipt. When received, the award will be distributed. If a grantee does not require the full amount funded, GCCF holds those funds to benefit future applicants.
9. Successful applicants **will be required to send a minimum of one representative** to an annual public reception in recognition of the applicant's project and to share your success story with the public. The date of this reception is the first Thursday in November of each year.
10. Upon completion of the project, Attachment 3 of the application must be completed and returned to GCCF. Failure to do so may jeopardize future granting opportunities for the organization.
11. All contracts have a funding expiration date of 12 months from the award date. The award may be automatically terminated at that time. The GCCF will consider written requests for an extension. Requests for an extension must be made at least 30-days prior to the contract end date. The maximum time allowed for an extension will be an additional 12 months. If at the end of the extension period the project still is not completed, the grant funds will revert back to the general pool of funds.
12. Funding for your project is a one-time opportunity. Additional funding requests for the same project will not be considered.
13. Depending upon available funding, GCCF sometimes will offer mini-grants outside of the normal funding cycle. If this is for a mini-grant, the funding request cannot be for a currently funded project or previously funded project. All rules for eligibility and documentation are the same for mini-grants.
14. Grant checks will be distributed during a public meeting. Please send at least one representative to receive your award once notified of the date. Checks not picked up will be returned and the grant award will be deemed denied. Be sure to use a mailing address checked frequently as failure to receive notices sent to the address on the application is not the responsibility of GCCF.
