Firefighter 1 Training

Firefighter I is a certification that covers the basic principles of firefighting. This course has both a classroom and a hands-on component. Topics include operation of pumps & hose lines, proper use of protective equipment, use of ladders and ventilation equipment, and search & rescue techniques. As a Firefighter I, you will actively participate in various duties on the scene of a fire.

All financial costs of your training will be provided for you. Approximate course requirements are 50-75 hours.

Would you make a commitment to attain your firefighter I certification within 2 years of joining the department?

YES NO

I certify that the information provided is correct & complete, to the best of my knowledge.
